*Due to COVID-19, this cohort of children missed their end of school assessment, so this figure is based upon the most recent assessment. It is likely that this figure would increase by 2 or 3 children.

**Due to COVID-19, this cohort of children missed their year 5 and year 6 swimming provision. We offered intensive swimming top-up sessions in June 2021 to try to give them the opportunity to swim, but had they engaged with regular school swimming previously I am confident this number would be higher.

***Due to COVID-19, this cohort missed their year 4 and 5 swimming provision.

****Due to COVID-19, this cohort of children missed their year 3 and 4 swimming provision.

| 390.00 | Go Active Coaches – one morning per week through the summer term. | D | <p>Each year group received three weeks of Outdoor Education activities, Years 3 and 5 participated in fencing, Years 4 and 6 received archery lessons.</p> <p>This was to supplement our curriculum offer with activities we are not able to offer, allowing children to experience a greater range of activities.</p> |
| 105.00 | Transport to Aspire Games | A D E | <p>All children in year five attended the Aspire Games, an event that ensures every child in Year 5, regardless of ability, has the opportunity to enjoy a day of competitive sport at a 'proper' sports venue, receiving a team shirt and mixing with children from other schools.</p> |
| 720.00 | Transport to Somerset Cricket T20 Match | A D E | <p>The opportunity was given to all children in years 5 and 6 to attend a professional cricket match, Somerset v Hampshire in the T20 competition (in which Somerset went on to become national champions!). Both teams had international sports stars in.</p> <p>The children paid £10 to attend. The cost of a match ticket was £5, paying £5 towards transport. The transport was subsidised to keep costs down and ensure it was available to all.</p> <p>As well as watching the cricket, the Sky TV camera zoomed in to our school group several times, so the children were excited that they appeared on TV!</p> <p>We chose the first game of the season to inspire children to attend both our school cricket club, as well as promoting local cricket matches as well.</p> |
| 248.00 | Transport to Fowey School | B | <p>We arranged a bespoke sports event with our feeder secondary school, Fowey River Academy. This was to support the transition of our pupils, taking place in October just prior to children applying for secondary school.</p> <p>All of year six children attended, with ex-pupils being sports-leaders and leading the event, as well as speaking to them about life at secondary school.</p> <p>The premium was used to fund transport, so there was no cost to the children.</p> |

Many schools would take one team per category, whilst we regularly had 3 or more teams per category.
